1 DECEMBER 2019  
FIRST SUNDAY  
OF ADVENT

A wide-angle photograph of the interior of Saint Mary's Catholic Church during a Sunday Mass. The view is from the back of the sanctuary, looking down the central aisle towards the altar. The church has a high, vaulted wooden ceiling with exposed beams. The walls are made of grey stone blocks. The altar is a white, rectangular stone structure with a large, ornate gothic-style window behind it. A priest in white vestments is standing behind the altar, facing the congregation. To the left of the altar is a large, ornate wooden organ. To the right is a wooden structure with a candle. The pews are filled with people, mostly seen from the back, looking towards the altar. The lighting is warm, coming from the windows and interior lights.

BRINGING THE WORLD'S GREATEST TREASURE  
THE BODY AND BLOOD OF CHRIST  
TO PARK CITY SINCE 1881

MASS TIMES + MESSAGE FROM FR. GRAY + UPCOMING EVENTS AND MORE INSIDE

# WELCOME TO ST. MARY'S

In 1881, God gave a small group of miners a mission to bring to these mountains the world's greatest treasure: the Body and Blood of Jesus Christ, the Eucharist, and the Faith and Charity that flow from Him.

Today, that mission has spread from the streets of Old Town Park City, to the meadows of White Pine Canyon, to the Heber Valley and beyond. St. Mary's seeks to evangelize, catechize, give back in Charity, and enrich the community through the Catholic Faith and its intellectual, artistic, and cultural traditions. To bring all the treasure of Jesus Christ, for the salvation of souls, and the Greater Glory of God!

*If you are a visitor or newcomer, please join us after Mass for refreshments and to visit the Welcome Table. We'd like to welcome you with a small gift!*

# THE SHORTEST DISTANCE IS BETWEEN

**W**HEN was the last time you looked up at the stars? To get a good look, a really good look at the stars, the viewer needs to be away from any city lights and the moon needs to be favorable. The last new moon was on Tuesday—so the moon is setting several hours after the sun sets. To go out and see the stars tonight, wait until the morning.

This weekend we begin Advent, that time in which we prepare for Christ's coming centuries ago in Bethlehem. Advent has a two-fold character: it's a season to prepare for Christmas when Christ's first coming is remembered, and as a season when that remembrance directs our mind and heart to await Christ's second coming at the end of time.

The world and all it contains, the stars and the depths of the ocean are all God's creatures. Jesus is the Light who created the sun, moon, planets and all the heavenly constellations and comets and meteors. At a quiet time, in a quiet place, God Himself came into creation, and since then the world has never been the same.

And that change wasn't just once-for-all; its effects are ongoing. As Christians, we must always be changing as well. We must grow, and in our growth we

leave old things behind and embrace the new. This Advent, this Year of Grace 2020 that begins this Sunday, St. Mary's is embracing a new bulletin, a new website, new tools to help us all come closer together and closer to the Lord, who comes. In Christ, all is made new, all is refreshed. We must allow ourselves to be refreshed as well.

Renewal means opening ourselves to new ideas, allowing our senses to be washed and purified. The Lord deserves nothing less than our best, and even here, with our weekly bulletin, with our website, we must strive for the beautiful.

When the air is clear, in the darkest part of winter night, even then the sky is full of light. In the beginning, the Lord made the world in beauty, and in His coming, the world is made beautiful again. The Light of the world may be dim and hard to see, but it is there, and all around us—and our Lord wants to share it with us. Find a time to look up at the stars this Advent; all the heavens keep watch for the coming of the Savior.

In Christ,
